

Nathan Brake

Vice President, Executive Compensation & Financial Wellness

Nathan is the Vice President of Executive Compensation & Financial Wellness for Cardinal Health. He is responsible for Cardinal Health's financial wellness approach for its 50,000 employees as well as ensuring the company's senior level pay is market competitive and internal equity is appropriately maintained. He also owns preparation of all materials used for the Board of Directors' HR & Compensation Committee meetings. Nathan's team is responsible for designing and administering strategic solutions for the organization's equity compensation program, financial benefit plans, global assignment program, and providing mergers, acquisitions, and divestitures due diligence support for compensation & benefits.

Nathan joined Cardinal Health in 2004. Over the past 14 years, he has held various roles within the Finance and HR functions including Securities and Exchange Commission (SEC) reporting, financial planning & analysis, Total Rewards analytics, mergers, acquisitions, and divestitures due diligence, and executive compensation.

Prior to Cardinal Health, Nathan specialized in financial reporting for Denison Hydraulics (division of Parker-Hannifin) and was an auditor for Arthur Andersen.

Nathan earned his bachelor's degree at The Ohio State University in Finance and Accounting, with a minor in Economics.

Nathan is married with three children and enjoys sports, grilling, and spending time with family and friends.

About Cardinal Health

Headquartered in Dublin, Ohio, Cardinal Health, Inc. (NYSE: CAH) is a global, integrated healthcare services and products company, providing customized solutions for hospitals, health systems, pharmacies, ambulatory surgery centers, clinical laboratories and physician offices worldwide. The company provides clinically-proven medical products and pharmaceuticals and cost-effective solutions that enhance supply chain efficiency from hospital to home. Cardinal Health connects patients, providers, payers, pharmacists and manufacturers for integrated care coordination and better patient management. Backed by nearly 100 years of experience, with approximately 50,000 employees in 46 countries, Cardinal Health ranks among the top 25 on the Fortune 500. More information about the company may be found at www.cardinalhealth.com and @CardinalHealth on Twitter.
